Hope is the thing with feathers
By Emily Dickinson

‘Hope’ is the thing
with feathers
That perches in the soul
And sings the tune without the words
And never stops
at all.

OR

Hope
Ms Moem

Hope is the place where
you want to go.
Hope is the person who
you want to know.
Hope is the feeling that
carries you through
and hope is the future
for me and for you.

Everyday

Every day is a fresh beginning,
Every morn is the world made new;
You who are weary of sorrow and sinning.
Here is a beautiful hope for you;
A hope for me and a hope for you.

Hope
by Jessica Sturgeon

Hope is an ever burning flame.
It may flicker and sway,
but it always stays the same.
It will guide you home
when you're broken, cold, and feel alone.
It's a ray of light in absolute darkness.
Although it's always there,
it's sometimes forgotten.

Hope

By Anonymous

If you hope there won't be fear,
If you hope, there won't be tears,
Hope is a word that
believes us to do things,
Hope is a word that
propels everything,
Hope keeps us going till the end,
Hope gives us the inner strength!

Keep The Hope Going

By Anonymous

Never let fear take you over,
Never get scared in life,
With a positive frame of mind,
You would be able to strive,
So keep smiling as you keep the hope high,
With such spirit you will reach the sky,
Keep the hope going,
Stay positive !

Hope Keeps Me Going **Martin Luther**

Another day of suffering,
And, I survived -
Because, I had 'hope' -

The time was tough,
The path was rough,

But, I believed in me,
Better days will be, will be,
Because, I had ' Hope ' -

Sadness and failure,
Did not let me deter,

Another down, another possibility,
Reassured me of my ability,
Because, I had hope -

I refused to fail,
I kept trying like a snail,
Because, I had 'Hope' -

Forgiveness Brings Hope
BRENDA ARLEDGE

As we learn to forgive one's mistakes,
the feeling of immense joy
trickles with moments of despair.

Offering others, a clean slate,
while we bury the sadness
in the far corners of our mind.

We hold on lightly,
letting them soar like an eagle
to mend their broken wings,
touching our soul with inner peace
giving ourselves a glimmer of hope.

My dream G. SIVA SHANKAR

I dream of a dream.
I dream that my dream shall someday come true.
I dream that all my dreams shall not remain just a dream.
I dream for that day when all these dreams are realized.
I dream that I don 't spend my days dreaming.
I dream that my dreams shall be more than just dreams.
I dream that these dreams will make me dream more.
Though these are dreams today,
I dream of making them a reality one day.
I will always be dreaming of these dreams,
So that I do have hope in life,
I still hope that this life is worth living.
